The Workshops 2012

5th-6th-7th of November 2012

International Workshops

by

Dance Masters & World Dance Council

Dance Masters

The international workshops of Dance Masters have attracted worldwide attention for its unconventional and refreshing approach and high quality in lectures.

For many dancers who were there it now is an absolute must.

It gives us great pleasure that Dance Masters has again decided to host these international workshops for even more dancers, coaches and judges by staging it on Holland's largest festival, the Dutch Open Championships.

The World Dance Council

has formed a special group of persons to look after the artistic standards and excellence of dancing, and by doing so, preserve a sound development of it in the future.

Of course these persons have an unquestioned reputation within our business.

Annually this group will present cases, to all involved, of developments to be seen as either detrimental or beneficial for dancing.

These presentations must be seen as strong directives in competitions and shall therefore influence future developments in dancing.

Reading the above, it stands to logic that the combination of experience in organizing and expertise in dancing, put together in a future-perspective, must give very interesting and unique workshops:

Lectures where your dancing will be scrutinized, not only from the past and present knowledge, but with a view on development and clear directives towards your personal goals in tune with international accepted views.

Lectures that will warn you for 'dead ends' that first look like 'shortcuts'.

Lectures that will open your eyes and tell you the difference between development and just being different.

Lectures that are giving you immediate adaptable information.

Programme of the International Workshops 2012.

A daily program will be ready from 08.00 up to 22.00 hours.

This includes the workshops as well as 'free' hours for private lessons or personal practise.

More details available at www.dansinternationaal.nl

Lectures.

Every day a great variety of lectures in both ballroom and latin concerning your dancing in the future-perspective of development. The best coaches will show you how and tell you why.

Panel-discussions.

Daily after the lectures there are questions and answers. Development in dancing should not be an individual decision of a judge, competitor or coach, nor be simply following the 'trends in society', but is a responsibility of everybody involved and therefore open to debate.

Private lessons.

Every day the coaches present are available to give private lessons (not inclusive). Due to the great demand lessons must be booked well in advance.

Guided practise.

In the evening there are guided practises to adapt your learnings into your dancing.

Bookings.

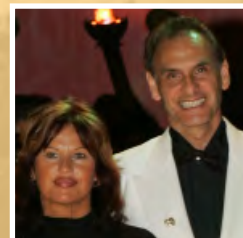

All bookings must be done in advance.
